The tournament is two separate competitions: 30 arrows for Age Divisions, 30 arrows for JOAD Achievement Levels. Therefore: 1) 30 arrow records are based on high score for both Age Division and Achievement Level. 2) For Achievement Level, recurve archers at or below Blue level shot the 60 cm target; compound scored the Outer 10 3) Bbarebow and basic compound shot the 60 cm for all Achievement levels. 4) 60 arrow records are the combined scores for those who shot either the 40 cm or scored the Inner 10 for both parts.
